

Fine Tuned.

Fine-Tuned are looking for sales reps in the US to represent Fine-Tuned following our media launch scheduled to air. Our fitting kit offers over 30,000 different combinations in both LH and RH for our precision milled Fine-Tuned putters. We need skilled fitters to join our team of certified professionals and represent Fine-Tuned for their territory. Taking applications from all across the US as multiple positions to be filled.

Our new reps will possess the following:

- Proven sales track record with established contacts with prominent courses / facilities.
- Sound Equipment and Technical understanding.
- Fitting day experience essential but full online product and fitting training also provided.
- Interstate travel potential.

Competitive commission based package for the successful candidates.
