

## INDOOR PROTECTION for MOBILE OUTDOOR SOLUTIONS

The Golf Tent is a temporary inflatable structure designed for golf professionals and clubs to provide customer protection from adverse weather conditions.

- The Golf Tent is fully weather proof, enabling the coach to teach all year round, it provides protection both in wet and sunny conditions.
- The Golf Tent is portable and can be used anywhere, both as an outdoor coaching bay, or an indoor golf net. (net attachment available).
- The Golf Tent can be used all over the practice facility, both to hit out of and in to.
- The Coach can generate advertising revenue by allowing businesses or partners to sponsor one of the 3 detachable side panels. A coach can also personalize the tent to define his or her teaching area.
- The Golf Tent can be used for many other activities. golf clubs or businesses can use the Golf Tent as a starter tent, a halfway house or a shelter for events.
