### JOB DESCRIPTION

SParms was established in 2009 to provide innovative solutions in sun safety. We design high-tech athletic apparel for sports and leisure. Our design concept is derived from safe designs that are comfortable, adaptive and sustainable, with the key feature is offering maximum sun protection.

Sun safety remains our key priority in design and manufacturing. We incorporate industry-leading fabrics with smart design features to produce lightweight, breathable and dry athletic apparel that offers maximum protection from harmful UVA and UVB rays.

We are continually innovating and testing our products to adapt to Sun. Our products must be able to withstand the harsh conditions of the sun's UV rays as well as excel in extreme conditions and for professional sports.

### RESPONSIBILITIES

We are looking for independent sales professionals that can not only sell and service our existing accounts but, actively and effectively attain sales and distribution goals.
