

## SEEKING INDEPENDENT SALES REPS

Rubber Ducky Sunscreen was founded in 1983 and has been making quality sun care products for 40+ years. Our brand is an independent, family-owned brand headquartered in Raleigh, North Carolina. The Linden family purchased the brand in June 2023 with intentions to expand the line.

In 2024, we rebranded and look forward to introducing the packaging starting in April 2024. Our goal is to appeal to all age demographics to encourage lifelong SPF habits. With the growing younger demographics, female demographics, and family demographics in golf, pickleball and other racquet sports, our brand is poised to serve that market.

- 2-3 years experience as an independent sales rep
- Ability to visualize sales opportunities within one client (golf shop, tennis shop, snack bar, etc.)
- Ability to meet seasonal timelines and meeting deadlines
- Attends local and reasonable sales rep trade shows
